SELF-EVALUATION - Let's Keep It Simple

By Chris Pickup

The Handbook

Self-evaluation made simple, straightforward and uncomplicated.

The **essential leadership handbook** for every school.

Self-evaluation explained **without jargon** 106 pages packed with all that you need to get self-evaluation in place.

A **quick start** section to use in emergency.

Prepares schools well for Ofsted and makes completing the **SEF easy**.

Links self-evaluation to the **School Development Plan**.

An annex with **18 additional documents** e.g. A Vision Statement; A Set of School Aims.

A teacher friendly model of self-evaluation that staff like, with **paperwork cut to the minimum**.

Easy to use strategies for self-evaluation and for building up evidence.

Lots of **examples of good practice**.

PLUS A CD ROM

Containing documents for you to print out including:

School Guidelines to put your policy in place (41 pages)

Subject Leaders' Guidelines
(22 Pages)

Governors Guidelines
(15 pages)

Evidence Recording Forms

A Policy For Self-evaluation
A Completed SEF

The handbook is an essential document for every school. It is the **first** in the Leadership series of '**Keep It Simple**' handbooks for schools.
