## **GENERAL ADVISORY SUPPORT SERVICE FOR SCHOOLS**

### **WHO WE ARE.....**

- We are Excellence In Education Ltd.
- We deliver an Advisory and Support Service for Schools of the highest quality.
- We are an independent service with more than twenty years' experience of offering schools and governing bodies advice and support
- We have built up a strong professional reputation for our work that is second to none.
- We have become the largest independent advisory service for schools in the North of England.
- We run an excellent network of support through our experienced team of sixteen school advisers.
- Our advisers provide impartial advice and offer professional support and challenge.

### **Working Criteria for the Support Programme:**

- ◆ Each school has a package of support individually designed to meet it's needs.
- ◆ When advice is offered, the headteacher is given space to reach a decision and all final decisions are made by the headteacher.
- ◆ Visits are flexible to suit the needs of the headteacher.
- ◆ The adviser agrees the times and dates of visits and meetings with the head in advance.
- ◆ The agendas for meetings and visits are set by the headteacher to address the issues that are important to them.
- ◆ The adviser is pleased to work with the wider leadership team and governors.
- ◆ The Headteacher is provided with an extensive range of support materials.

## The Support Package for Schools

### The Package includes:

- **A carefully chosen experienced General Adviser to work with you.**
- **The headteacher will be invited to a preliminary meeting, with lunch at the Bellavista.** Where we will share the details of the service. Headteachers from each of the schools joining the service can meet to network and discuss the support package.
- **Three Days of Support.** Your General Adviser will spend three days in school working with you to provide external advice and support. The days will run 10.00am to 4.00pm and you will be given flexibility to agree when the visits take place and set the agenda for the visits. By mutual agreement the headteacher and adviser can split the visits into half days.
- **Headteacher Performance Review.** Headteachers may ask their adviser to carry out their performance review within the time allocated for visits.
- **Access to additional support and back-up from our associates as needs arise.**
- **Emergency contact telephone numbers for issues that arise outside of office hours.**
- **Discount on courses-** Schools will benefit from **£70 discount per place on all course bookings from our programme during the year.**
- **Website of Resources-** Access to the Advisory Schools resource section of the website and a section tailored for your school governors with their own secure login.
- **Advance notice of our training programme – Schools in the advisory service will be given first opportunity to book places when we send out our new courses.**
- **The headteachers of schools in the service will be invited to attend An exclusive half day conference each year complimentary with lunch at the Bellavista.**

**One Year's Support Package Cost: £3,750 plus VAT**  
**(or two payments of £1,875 spread out over two financial years)**

**To reserve your place in our support service or for more details
